Dear Holly Marino.

Thank you very much for waiting.

We have looked into the right of the song you requested and confirmed that the song "OVERTURE ~ METAL GEAR SAGA from METAL GEAR SOLID 4 GUNS OF THE PATRIOTS" is composed by Harry Gregson-Williams.

Therefore, please make a contact with the publisher called "Un Jazz Music" and ask them.

email address: unjazzmusic@gmail.com

Thank you.

Respectfully yours,

Ms. Rika Muranaka,

It is a pleasure to be speaking with such a great composer. We are part of Fusion Core Drum and Bugle Corps and would like to request permission to arrange "OVERTURE ~ METAL GEAR SAGA from METAL GEAR SOLID 4 GUNS OF THE PATRIOTS".

To our knowledge, the piece is composed by Harry Gregson-Williams. We recently contacted Konami regarding acquiring permission, and they provided us with your email address. Please let us know if you would be willing to provide us with the permission to arrange this piece, or if there is another contact that we must reach. I have also provided a link to view a performance of our group. Thank you for your consideration.

Hi Rika, thank you for the quick response.

In order for us to prepare an arrangement of the music to teach to our members who will perform it in our show, we need permission from the person or company who owns the rights in writing.

I hope this clarifies it for you.

Thank you again
